NEWS

Please note that you cannot use your Koopkrag card to pay for any of the value-added services that some of our larger suppliers provide.

Mr JH du Plessis

Mr Vaatjie du Plessis notified us early in the year that he won't be able to continue as Chairman of the Board due to ailing health. He passed away unexpectedly on the 3rd of June. On behalf of the Board of Directors and personnel we would like to express our sincerest condolences with Mrs du Plessis, their children and extended family.

Load shedding

Load shedding can, unfortunately, influence a card transaction. A successful transaction depends on a working communication network. Our transactions, for example, are approved in Johannesburg. Any "break" in the communication network could delay or even result in no approval. More patience than usual is required in these uncertain times.
